The hiring of MOA officials is recommended. Jamborees must have the required number of officials per classification. Coaches are allowed to officiate, but cannot on-field coach even when they are officiating.

Coaches are **not** allowed to be in the huddle or on the field instructing. Coaches must be a member of the high school football coaching staff meeting all requirements set by the MHSA and school administration.

The maximum amount of plays per team would be 60 offensive and 60 defensive plays per team per day.

No varsity teams are allowed – even if a varsity team from a smaller classification wants to participate with sub varsity teams from a larger classification.

Season limits – Jamborees may occur within 28 days from the date of the 1st allowable contest in each classification.

Up to 4 teams would be allowed on the same field at the same time. Teams playing on each end of the football field are allowed.

NFHS Football Rules apply (Examples of penalties that must be called: holding, illegal blocks; illegal formations; facemasks; horse collar tackles; pass interference; etc..)

The 25-second play clock between plays must be followed.

All players must be properly equipped.

No kicking game is required, but it would be allowed.

The score and time are not required to be kept.
