## I - GENERAL RULES AND REGULATIONS

- (1) There shall be no spring football for classes of schools.
- (2) It is mandatory that a stretcher be a part of the regular football field equipment for every football game.
- (3) It is recommended that the home team be responsible for seeing that a doctor is available on the football field for all season football games.
- (4) The Montana High School Association Executive Board shall establish the starting date for practice and the first allowable date when any contests may be played. No individual shall play in any association contest until he/she has a minimum of twelve (12) days of football practice and at least one practice session per day on twelve (12) different days (no practice permitted on Sunday), prior to the date of the first allowable game. **The initial twelve (12) practices for each individual must be completed as a comprehensive, regularly scheduled team practice with the full coaching staff.**  
  
If a student begins his/her twelve days of required practices and that period of days is interrupted by sickness, injury, academic ineligibility or for any other reason for a period of two weeks, then the student shall be required to practice an additional five (5) days and in cases of sickness or injury to produce a doctor's release.
- (5) Ten (10) football games will be the maximum limit for all football classifications exclusive of Association-sponsored playoffs.
- (6) The first three days of football practice will be a period of acclimation with no contact and no pads. The only football equipment to be used is shoes and helmets. Non-contact is defined as no student-to-student contact. However, participants may contact dummies/shields held by others. [Also see Specialized Camp Rule, Rules & Regulations, Section (8)].
- (7) No football player shall be allowed to participate in more than **eight (8)** quarters per week (Sunday to Sunday) nor in more than two (2) games within a 48 hour period.

### INTERPRETATION

Participation in one play in a game would constitute one (1) quarter.

- (8) **Contact limitations: during the regular season and post season, football practice per team shall not exceed more than ninety (90) minutes of contact practice per week. During the initial twelve practices (first two weeks of practice only) one intra-squad scrimmage is exempt from the ninety (90) minutes of contact.**

### Levels of Contact Defined:

**The following levels do not count toward the 90-minute limit:**

- a. **Air – players run a drill unopposed without contact.**

**b. Bags – drill is run against a bag or another soft-contact surface.**

**c. Control – drill is run at assigned speed until the moment of contact; one player is predetermined the “winner” by the coach. Contact remains above the waist and players stay on their feet.**

**The following levels count toward the 90-minute limit:**

**d. Thud – drill is run at assigned speed through the moment of contact; no predetermined “winner.” Contact remains above the waist, players stay on their feet and a quick whistle end the drill.**

**e. Live Action – drill is run in game-like conditions and is the only time that players are taken to the ground.**

### INTERPRETATION

*A team may continue to dress in full pads for practice, but may only participate in “thud” drills, “live action” drills and game-like simulations no more than ninety minutes per team per week. It is assumed that when players are in shells (shorts, shoulder pads and helmets) no contact or simulations will occur. A team may participate in “air”, “bags” and “control drills and simulations at any point.*

- (9) The football season officially ends with the last regularly scheduled game or the state championship game of each respective classification.
- (10) Contests interrupted because of events beyond the control of the responsible school administrative authority shall be continued from the point of interruption, unless the teams agree to terminate the contest with the existing score. Regular season contests continued from the point of interruption must be rescheduled before playoff competition begins. Playoff contests continued from the point of interruption must be rescheduled before the next playoff contest. Schools unable to mutually agree on contest dates must contact the MHSAA office for a determination.
- (11) The playing rules as adopted and published by the National Federation of State High School Associations for the current year shall be followed for all games. By state association adoption the coin toss shall occur three (3) minutes prior to the game.
- (12) Halftime will be twelve (12) minutes with a mandatory additional three (3) minute warm-up period. The only exceptions to this rule are homecoming games, parents' nights etc.
- (13) Schools shall purchase sideline clips for chain crews and officials to use during games.
- (14) When the teams of two schools have met during the football season in the past five years, the school whose team last played on the field of the other shall have prior claim to this particular season's game on its own field. By mutual agreement other arrangements may be made, but the terms of this mutual agreement should be set down in written contract and/or master schedule. Where no such written contract or master schedule can be shown, the Executive Board will award the game in question to the school which last played the other away from home. Where equally fair alternatives present themselves, the Executive Director shall flip a coin to determine the site of the game. The two schools abide by this determination and the penalty for failing to accept this result shall be forfeiture of the game under consideration by the school failing to comply.

The provision stated in the previous paragraph will not apply if the schools concerned reach a satisfactory agreement, or if the conference to which these schools belong has definite rules or a master schedule for season's play. For the purpose of this rule, forfeited games shall be considered as games played. A school

that forfeits a football game shall lose the home field advantage of the following year to the school who received the forfeit.

- (15) Games between teams from different districts and divisions are permissible at any time, provided they do not interfere with necessary elimination games, but these games will not be considered in determining district or divisional champions. Should teams which have already met during the season become the champions of their respective district or division, it will be necessary for them, if paired, to play again to determine which one will advance toward the finals for the championship in their class.
- (16) If two teams end the second half of the regular playing time of any football game played in Montana with a tie score, the tie must be broken and a winner declared. The method used to break ties is published in the National Federation football rules.
- (17) Classes A, B and C: In Classes A, B or C (8 and 6 player) football game, if at any time the score differential reaches 35 points or more, the clock will not be stopped when:
  - A. The ball goes out-of-bounds.
  - B. A forward pass is incomplete.
  - C. A fair catch is made or awarded.
  - D. A touchback occurs.
  - E. A first down is declared.

If the score differential falls below 35 points, normal timing procedures will be utilized.

The clock will continue to be stopped on all other situations as specified by National Federation Rule 3.4.4 (penalty, time out, end of period).

- (18) No school is required to take part in any contests or athletic events, but once entered, teams are obligated to participate in a contest or athletic event to its normal conclusion unless the contest is terminated by mutual consent of the school officials involved due to unusual weather or game conditions, or situations which could be hazardous to participants or spectators. Any coach is prohibited from unilaterally refusing to play.

If a school fails to complete contests or athletic events that they have entered, the violating school would be subject to penalties as deemed appropriate and necessary by the Executive Director.

No school is required to take part in any game or tournament, but when once entered under the plan outlined, schools shall carry out their part of the program in fairness to all other schools represented. Any team taking part in season play is automatically entered in to the first tournament held in that district or in that division. That team shall not be allowed to withdraw from playing in such tournament without the specific approval of the Executive Director. The penalty for violation shall be as outlined under Penalties, Article VIII, Section (2).

- (19) Some schools schedule two games each season with another school. If both games are played within the time set for the completion of the conference season and if no signed agreement has been made regarding the bearing of these games on the championship, the first of these games shall count and the second game shall have no bearing on the conference standing. If schools want the second game to count, they should have a written agreement to that effect. If only one game is played within the time limit, it shall be decisive in determining championship.
- (20) Games arranged to break a tie in the standings in any season will in no way affect the location of games in future rotating schedules.
- (21) Awards will follow the MHSAA standardized awards program.
- (22) All football playoff and state championship games will be conducted under the following financial arrangements and

charges against the game receipts are to be paid in the order listed:

- A. Game officials' (referees') fees and expenses.
- B. The visiting team's expenses to be paid the following schedules:
  1. Mileage — \$2.50 per mile, for one round trip. (In computing the number of miles traveled, the shortest paved route open to travel, as listed on the current Official Montana Highway Map published by the Montana Department of Highways will be the mileage used.)
  2. Per diem — One day per diem allowed @ \$30.00 for the persons specified when team stays overnight or one day per diem allowed @ \$15.00 for the persons specified when they do not stay overnight. No per diem is ever allowed for the day after the game.
  3. If the visiting team must travel more than 200 miles one way to the game site and stays overnight two nights (including game day night), they will be allowed two days @ \$30.00 for the persons specified. If they do not stay over a second night they will be allowed one additional day @ \$15.00 for the persons specified. In Classes AA and A, if the visiting team must travel more than 400 miles one way and they stay overnight three nights (including game day night), they will be allowed three days @ \$30.00. If they stay over two nights before game day and don't stay over game day night, they will be allowed two days @ \$30.00 and one day @ \$15.00.

    - c. Class B — 37 persons including players, coaches, managers and administrators.
    - d. Class C — 28 persons including players, coaches, managers and administrators.
- C. Reasonable local expenses may be charged against the game. The host school is expected to furnish the football field already properly marked and equipped and in the best possible playing condition for the game without charge. However, because of snow removal conditions that require extra time and expense for field preparation, the host school may claim expenses up to a maximum of \$500.00 for field preparation. Schools will be required to itemize all charges. These itemizations and amounts charged are subject to review and approval.
- D. If the game receipts are insufficient to pay the expenses listed in items a through c above, charges for local expenses in item c shall not be allowed and then the remaining loss shall be shared 60 percent by the host school and 40 percent by the visiting school.
- E. No guarantee is made that all teams will receive maximum expense allowance.
- F. For distribution of profits from all playoffs and state championships refer to By-Laws, Article I, Section 2.3.

- (23) The following ticket prices as established by the MHSAA Executive Board will be used for all post season games, including state championships.

- (26) Emergency matters not specifically covered by the football general rules will be decided by the Executive Board of the Montana High School Association.
- (27) Rawlings is the official football supplier of the Montana High School Association. The MHSA recommends the use of ST-5 game balls provided by the Rawlings Company for all football playoffs and state championship games. Rawlings furnishes the game balls with the understanding that the National Federation football rules allow each team to use a ball of its choice as long as it meets specifications as outlined in the rule book. This rule is not being waived. The game ball will be presented to the winning team.
- (28) The MHSA prohibits any use and/or possession of tobacco, alcohol or other mood altering drugs during competition. Violation will cause the coach or participant to be disqualified from further participation in that event.
- (29) A school may participate in a jamboree, which shall involve three or more junior varsity, sophomore and/or freshman teams in the competition (varsity teams are not allowed to compete in any jamborees).

Exceptions are: a) program advertisements and b) signage or announcements acknowledging the receipt of donated goods including food or beverages for the hospitality room, the use of tents at outdoor events, or the use of other equipment necessary for staging the event. This plan must include the scheduling of games in all districts and must come within the time limits established for division play. (b) If no such plan is arranged by the schools concerned and no statements are filed with the Executive Director, then the teams in a Class C division must play every other team within their division on the master schedule. Refusal to play another team or to iron out conflicts in dates shall constitute a forfeit of all claims to consideration for a championship.
